smb://141.75.36.164/Transfer1/2017_Sommersemester/CGO/WPF/3D_PRINT

Kontakt Hilfsassistierende:

Naomi Saka <sakana63997 {at} th-nuernberg.de>
Janina Tauchnitz <tauchnitzja60629 {at} th-nuernberg.de>

Infos zu den Programmen auf <http://d.th-nuernberg.de/cgo>

A hand is holding a small, red, 3D printed object that says '#ALARM' in a bold, blocky font. The object is being held up against a background of a 3D printer's bed, which has a grid and some text on it. The printer's bed is dark, and there's a blue light visible at the bottom.
